World Class Outpost (WCO) seminar is designed to expose the outpost leadership team to a successful set of practices, methods, strategies, and tools that will enable them to develop into a “World Class Outpost”. It is a process that maximizes the effectiveness of an outpost in a local church body. WCO links the outpost to the local body's vision and mission, and then identifies the outpost's strengths and areas for improvement and lead to goals to help the outpost to continually measure their improvement.
