**IMPORTANT INFORMATION**

1. Complete this form. Give it to your commander/senior commander.
2. Use the chart below to determine how you may participate at each level.
3. Your attendance and participation in Ranger of the Year at each level, section and district, is required in order to attain the drape medal and ROTY nametag.
4. You must be a member of a chartered outpost. Your title, if you earn the advancement as stated below, will be the following: Outpost (Section) Ranger of the Year. Based on your evaluation—excellent or outstanding—you will receive appropriately colored ribbons and medals. These evaluations are based on your own achievement, not competition against others.

### Ranger of the Year Qualification Chart

*There are two ways for qualifying to participate in the ROTY evaluations.*

**Category A:**

*If a boy has earned both the required number of points on his ROTY application and achieved the advancement level stated in the ROTY chart, he will automatically qualify to participate at that level (section or district). There is no limit on the number of boys that can qualify to participate in the ROTY. Once a boy has entered the ROTY evaluations, he can continue to advance to the next level as long as he achieves an Outstanding level (85% or higher) in his evaluation.*

**Category B:**

**OUTPOST:** *In the event that an outpost does not have a minimum of two boys from each Royal Rangers group who qualify as per Category A, they may send the appropriate number of boys from each group with the highest application scores to the sectional evaluation. These boys will be evaluated and receive recognition for Excellent or Outstanding levels, depending on their evaluation score. All boys who achieve an Outstanding level at section or district are qualified to continue to the next level of evaluation.*

**SECTION & DISTRICT:** *In the event that a section or district does not have a minimum of two boys from each Royal Rangers group who qualify as per Category A, they may send the appropriate number of boys with the highest evaluation scores to the next level of evaluation. These boys will be evaluated at the next level and receive recognition for Excellent or Outstanding levels, depending on their evaluation score. All boys who achieve an Outstanding level at section or district are qualified to continue to the next level of evaluation.*

**Goal Setting:** Every young man should establish a habit of goal setting in order to improve his service in the kingdom of God. Use the section below to determine how you can grow into a well-rounded, mature man of God. Completing this chart will help you determine, assess, and evaluate your goals and fulfillment of those goals for the past year and goals you are setting for this next year. Once you have completed this chart, add 50 points in box V-A above. It is important to use goals that are measurable, such as numbers. For example, you set a goal of earning three advancement steps, but you earned four steps. This would encourage you to increase your goal for next year.
